

Lab 11. Creating a Scatter Chart in Power BI

Lab 1: How to create a Scatter Chart to visualize the relationship between sales and profit in Power BI?

- **Task:** Create a scatter chart to show the relationship between `Sales` and `Profit` from the `SalesData` table, where `Sales` is plotted on the X-axis and `Profit` on the Y-axis.
-

Lab 2: How to create a Scatter Chart to visualize Sales Discount vs. sales performance in Power BI?

- **Task:** Create a scatter chart to visualize the relationship between `Discount` and `Sales` from the `SalesData` table, with `Sales Discount` on the X-axis and `Sales` on the Y-axis.
