Lab 15. Creating Geo Charts (Map) in Power BI

Ref : SalesData.xlsx

Lab 1: How to create a filled map to display sales by region in Power BI?

- **Task**: Create a filled map (choropleth map) that displays `Sales` by `Country` from the `SalesData` table, with country colored based on their sales value.

Lab 2: How to create a bubble map to show sales and profit by city in Power BI?

- **Task**: Create a bubble map that shows both `Sales` and `Profit` by Country, with bubble size representing sales and bubble color representing profit.
