

Lab 8. Creating an Area Chart in Power BI

Ref : SalesData.xlsx

Lab 1: How to create an Area Chart to visualize sales trends over time in Power BI?

- **Task:** Create an area chart to show the sales trend over time from the `SalesData` table, with `Order Date` as the axis and `Sales` as the values.
-

Lab 2: How to create a Stacked Area Chart to compare multiple product sales in Power BI?

- **Task:** Create a stacked area chart that compares the sales of different products over time.
